

Put the Details Section to work for you!

When you are creating your transaction and getting ready to prepare forms for signing, don't forget to put as much information as you can in the Details section. (see below) The more details you fill in - like closing date, offer date, etc... - the more data you will have auto populate into your forms. And the more time it will save you filling out those forms!

1154 N Main - Test for sales mtg
Listing #560601
1154 MAIN ST, Wichita
